

Edel Flashblade

Performance-filled
soccer system

AFFORDABLE PERFORMER FOR MULTI-USE & INTENSIVE PLAY

Our Flashblade yarn fulfills the needs when a competitive soccer field system according to FIFA standards is required. With its 12.000 Dtex and matt finishing, Edel Flashblade perfectly covers performance infill and gives the field an outstanding natural look. Due to its flash-shaped yarn, the piles stay upright when played intensively.

Champroux - Ivory Coast

Bozova - Ukrain

Kammeraterne - Denmark

EXCELLENCE

- Economic and durable soccer field
- Flexible flash yarn shape
- Good grip and torsion properties
- Optimized ball roll speed and behavior
- Certified systems

CHARACTERISTICS

- Bi-directional resilience
- Perfect wear and tear
- Natural bicolor

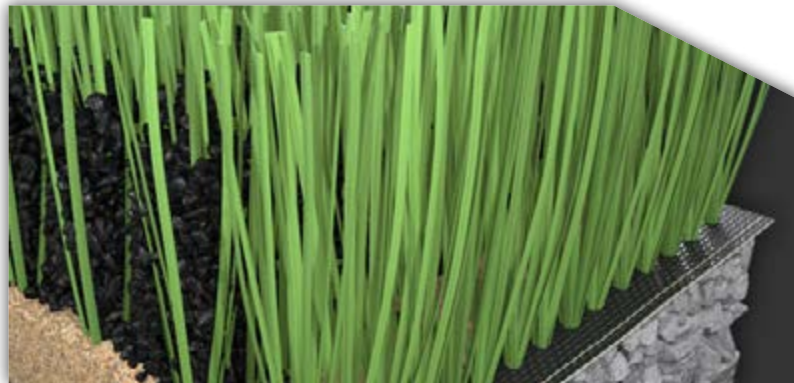

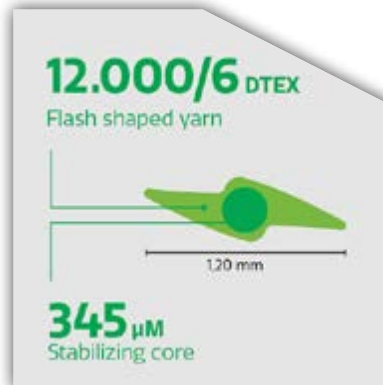

Soccer systems made to win
