

ROYALGRASS®

Lush

Royal Grass Lush is made with the new SunTEC® technology which means that some fibres of Royal Grass Lush have natural yellow brownish colour giving this artificial grass a warm, late summer look. The grass also looks extra lush and natural look as it is made with the innovative ReaDY® technology.

PERFECT FOR

Green roofs
Decorative gardens (e.g. front lawns)
Green surfaces on balconies
Around buildings
Presentation purposes
Gardens with a less manicured look
