Edel Summit

PREMIUM LANDSCAPE TURF WITH NATURAL LOOK AND LONG-LASTING PERFORMANCE

Landscape turf grass Edel Summit is a high-quality landscape turf designed to create natural-looking outdoor spaces with minimal maintenance. This landscape turf combines advanced yarn technology with a soft, realistic appearance, making it ideal for gardens, public spaces, and commercial landscape projects. Thanks to its durable construction and UV-stabilized fibers, this turf maintains its color and structure during the seasons. Edel Summit offers a sustainable and visually appealing solution for landscape projects.
